

CRETEAU TECH CENTER GOLD MEDAL WINNERS

The Tech Team from Spaulding High School brought home a gold medal from a National Trades Competition.

Competing in the automated manufacturing technology category at SkillsUSA, Matt Chick (Rochester), Justin Hill of Wakefield, and Kyle Gentle (Rochester) created a prototype of a television remote, winning both a first place medal and a great deal of pride for their home towns. Your GWCC congratulates the team and is happy to have provided a stipend to help defray their costs in attending the championship held in St. Louis.

GWCC BREAKFAST SERIES

Attorney Richard D. Sager, of Sager Law, PLLC welcomed members and non members to a presentation on "Limited Liability Companies, Sole Proprietorships, Corporations and Partnerships – Which Entity to Choose?" covering need, entity, tax issues and other related matters. If you were not able to make this session, please contact Rick directly should you wish to discuss this subject matter. Call Cheri Schlenker at 539-1500 X 405 if you would like a topic featured at one of our breakfast series.

WAKEFELD MARKETPLACE HOLIDAY FAIR

The members of the Wakefield Marketplace will hold their Holiday Fair on Saturday, November 17th, from 9 a.m. to 3 p.m. at St. Anthony's Church on Meadow Street. This event provides an excellent opportunity to purchase handmade gifts for the entire family, and the booth fees are donated to the Church food pantry to benefit the community. See you there!

LEAGUE NH CRAFTSMEN OPEN STUDIO TOUR

Susann Foster Brown Studio will participate in the three day event, November 9 - 11, from 10 - 5 daily. Susann will be printing her limited edition etchings in her home studio at 1362 White Mountain Hwy, Milton, just north of the NH Farm Museum on Rte 125. Come see her press room and learn about the sixteenth century "technology" that is intaglio etching.

Here's your chance to experience, first-hand, the techniques and artistry of the juried members of the League of NH Craftsmen, and to purchase distinctive handmade crafts that have lasting value. More than 60 locations throughout NH can be visited on the unique and creative tour. Maps available from Susann or through the League - 603.224.3375 or www.nhcrafts.org
