President's Message

Dear Members,

We begin 2008 with a very important NH Department of Labor seminar. Please join us on February 11th and encourage others to attend this information session. Our Annual Meeting will be held February 26th with guest speaker Councilor Raymond Burton. Please RSVP as soon as possible.

During February and March, we will be accepting Scholarship Applications and Nominations for Citizen of the Year. Our April Awards Dinner will feature the scholarship recipients and present the 2008 Citizen of the Year. Last but not least, the month of May brings the 2nd Annual Greater Wakefield Challenge on the 16th and Pride Day on the 17th.

It is also time to renew your membership. As you can see the Chamber continues to be very active, so please renew your membership. This will allow the Chamber to continue bringing seminars, events and activities to the Membership and the Greater Wakefield Community.

In closing, we always welcome and encourage member participation, so if there is a committee or event that interests you, please let us know. Remember to support fellow Chamber Members and encourage others to join. Together we will continue to make a difference.

Sincerely,
Denise Roy-Palmer
President
